ABOUT

I have 5 years of experience freelancing and working in graphic design in Seattle. I am seeking to use my technical and professional expertise to grow in design and production roles in a collaborative setting.

EXPERIENCE

GRAPHIC DESIGNER, ENTERPRISE SALES & MARKETING

McKinstry, July 2020 - Present

A national leader in design, construction, operation and maintaining high-performing buildings.

- » Print design and production for strategic client outreach
- » Layout and design for proposals, presentations and business strategies
- » Digital graphics for sales collateral, campaigns and social media

GRAPHIC DESIGNER, VOLUNTEER

Duwamish Tribal Services, June 2018 - Present

A non-profit promoting Seattle's first people, the Duwamish Tribe.

- » Motion design and digital graphics for social media, events
- » Design, layout and print production for ads, brochures, auction catalogs
- » Campaigns, collateral and strategies for upcoming public events

FREELANCE VISUAL DESIGNER

June 2015 - Present

- » Art direction, branding, illustration and logo design
- » Web design and development, digital graphics
- » Layout, print production, environmental installations

CREATIVE DESIGNER, MARKETING & COMMUNICATIONS

NanoString Technologies, January 2019 - July 2020

A publicly held biotech company providing life science tools for cancer research.

- » Digital graphics for multi-channel enterprise marketing campaigns
- » Layout and design for domestic and international print production
- » Tradeshow graphics for booths, wayfinding and promotional events

GRAPHIC DESIGNER, PUBLISHING

A+U Publishing, August 2018 - October 2018

Japan's leading architectural publisher with a broad network across the globe.

- » Layouts and print production of high-end boutique magazine
- » Asset management and photo correction
- » Built info-graphics to communicate customer data for advertising

GRAPHIC DESIGNER, INTERNSHIP

Van der Pop, April 2017 - September 2017

A female-focused cannabis brand acquired by Canopy Growth Corp.

- » Layout and print design, product packaging
- » Motion graphics for trade shows and social media
